

# Strategic Plan

## 2022-2025

### Our Vision

To improve the health and well-being of all Nepean, Rideau and Osgoode residents as an agent for positive social change and community resilience.

### Our Mission

NROCRC addresses our communities' most pressing needs by removing barriers and providing equitable access to programs and resources while responding to emerging priorities and influencing change.

### Our Values

Community Centered • Equity • Compassion • Collaboration • Dignity and Respect • Agility

### STRATEGIC PRIORITIES

#### Opportunities for Impact

Develop best practices in priority areas, including mental health, community capacity building, and rural services

Identify emerging needs and address barriers faced by our diverse communities

Advance community engagement to create local solutions to pressing issues

#### Elevate Collaboration

Enhance organizational skills, knowledge, and resources through partnerships

Increase range and accessibility of services in coordination with providers

Engage in collective initiatives with stakeholders across sectors to accomplish systemic change

#### Expand Capacity

Develop and integrate approaches to our work that include Equity, Diversity and Inclusion, Trauma Informed Care, and Peer Support Models

Grow long-term, flexible, diversified funding

Invest in technology to improve efficiency and service delivery
